

# Table of Contents

Introduction .....	5
Pennsylvania Senior Environment Corps (PaSEC).....	6
Why Monitor Water Quality.....	7
Potential Projects for PaSEC Volunteers (What to Expect).....	8
Watershed Concept.....	10
PaSEC Water Quality Monitoring Program.....	14
Topographic Maps.....	16
Contact Resource List.....	18
Getting Started: .....	21
Chemical Analysis .....	22
Equipment Checklist.....	36
Test Kit Inventories.....	37
Criteria for Site Selection.....	42
Pennsylvania’s Watersheds.....	43
Hydrologic Unit Codes (HUCs) .....	44
Weather and Wildlife Observing .....	45
Safety & Health .....	47
Safety Checklist.....	48
Emergency and Protocol.....	51
Unusual Reading Protocol.....	52
Chemical Waste Disposal .....	53
Care and Cleaning of Test Kits.....	54
Biosurvey and Stream Habitat Assessment.....	55
Macroinvertebrate Collection Procedure.....	56
Equipment List.....	65
Identification Chart.....	66
Stream Habitat Assessment – Rocky Bottom.....	72
Stream Habitat Assessment – Muddy Bottom.....	74
Appendix A (Forms)	
Appendix B (Material Safety Data Sheets)	
Appendix C (Older Hach “Visual” Test Kit Instructions)	
Appendix D (Extras)	
Appendix E (AMD Monitoring Methods)
